

Letter of Agency

To Whom It May Concern:

E-rate Consulting LLC is authorized to review, file on line all e-rate forms, respond to requests for information, and provide advice to its understanding of the best practices of the program. It does not guarantee success in receiving funding. All forms will be prepared filed online with the presumption the school has presented the material facts that can be verified. The school/agency certifies that is recognized by its state educational department that it is an educational entity, that it pays its non-discount share for funding requests, that it utilizes the services/equipment requested and has the resources to support all funding requests, that the school is CIPA compliant. The school must notify E-rate Consulting LLC *immediately* in the event there is any material change in the above.

E-rate Consulting LLC does not and will not represent, promote nor select any vendor, but will review contracts and services to be in accordance with e-rate rules. It will seek clarification from vendors regarding their services and products and will review their history of success with the program.

The term of this agreement will be until all 2017, 2018, 2019 FRNS are paid. Any subsequent work will incur additional fees. Fees and conditions are [redacted] of the disbursements [redacted]. There is a [redacted] fee for services requested and awarded but cancelled by the applicant.

Note the school needs to provide information and certify forms in a timely manner or funding may be jeopardized
